## Quality Review

The application of this policy and the effectiveness of the Quality Management System will be reviewed by a competent person at least once in each calendar year or on significant change in the Group's operations. This policy is communicated to all employees throughout the organisation, also to our contractors and clients. It is available to the general public by it being displayed in a prominent location within all our occupied buildings and on our company website. <http://www.fulcrum.co.uk>.
